Description:

Perfect Location for an office on busy street in Tomball approximately 450 ft. south of Medical Complex Dr. Currently zoned residential but per City of Tomball zoning ordinance, rezoning this property to a form of commercial zoning would likely be supported as Future Land Use Plan calls for use in this area to be light commercial (Business Park & Industrial). With some remodeling, this brick home on a spacious 0.33 acre lot could be transformed into a great office space with good visibility on a busy street with high traffic count. Surrounded by commercial properties, it offers lots of possibilities. City utilities. No flood plain in the area. Schedule an appointment to see today!
