### Description:

Own one of the oldest homes in the city limits of Waller!! I packs a lot of charm into its little frame!! The sellers believe that the home is at least 100 years old based on old newspapers that were found in the walls. The wood floors are in exceptional condition for all the years of footsteps they have endured. This charmer has 3 bedrooms and 1 full bath along with a dining room and large family room. With a little extra TLC this will continue to be one of the cutest homes in town!!
