Description:

Nestled in the peaceful countryside with convenient access to a major highway, this beautiful 2-acre property offers the perfect balance of rural charm and city accessibility. Whether you're looking for a weekend retreat or the ideal site to build your dream home, this property is full of potential.

The existing trailer home is not in livable condition and will likely require removal, giving you a blank slate to create your vision. A well-maintained efficiency apartment on the property provides a comfortable place to stay while you build or enjoy the land right away as a private getaway.

The fully fenced pasture is ready for animals and can easily accommodate 1–2 horses or goats. Mature trees and established grasses add natural beauty, shade, and a sense of tranquility throughout the property.

Experience the serenity of country living without sacrificing convenience—come see firsthand just how close you can be to the city while enjoying your own slice of the countryside.
