Description:

Great country home and land to get away from the city but not too far! Nice 2 story home with master downstairs, two bedrooms upstairs and metal roof. Large brick fireplace with a Heatilator installed to keep the home warm with firewood in the winter. Kitchen features are an island, farmhouse sink, and cabinets with glass door inserts! The master bath features include two sinks and a clawfoot bathtub! Cedar siding and a long covered porch help the home fit in with the trees! Back of the home is a long sitting room with lots of windows setup to look outside if it is too hot or cold to sit on the porch! Has a detached garage with work area along with a floored attic for storage. Has a carport, greenhouse and storage shed to help with taking care of the 3.5 acres. Includes access to community lake and park for recreation! Very quiet subdivision with lots of trees in the north end of the fast growing Waller county. The acreage is mostly cleared but plenty of trees to make it secluded!
