Description:

A great opportunity in Cat Spring, TX. This 26.2± acre tract is offered individually or in combination with an adjoining tract, both ag exempt with ideal homesites. This property features a fenced, improved hay pasture, beautiful mature oak trees, electricity, a water well, and a seasonal creek. The rolling terrain and scattered tree coverage create a really nice setting for a homesite, while still maintaining usability for agricultural or recreational purposes. There are several great building sites throughout the property, offering a balance of open pasture and tree cover that is getting harder to find in this area. An adjoining 32.8± acre tract is also available. Seller may consider more favorable pricing for a combined purchase.
