NOW, THEREFORE, Declarant hereby declares (i) that all of the Property shall be held, sold, conveyed and occupied subject to the restrictions, covenants, and conditions, as herein set forth, which are for the purpose of protecting the value and desirability of the Property, and which shall constitute covenants running with the Property, and which shall be binding on all parties having any right, title, or interest in or to the Property or any part thereof, their respective heirs, personal representatives, successors, and assigns, and shall inure to the benefit of each owner thereof, and (ii) that each contract or deed that may hereafter be executed with regard to the Property or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to the following restrictions, covenants, and conditions, regardless of whether or not the same are set out or referred to in said contract or deed.

## ARTICLE I

### PROTECTIVE COVENANTS

SECTION 1.1 *Use Restrictions.* Tracts in the Property are intended for single family residential purposes only, as further described herein, and are additionally subject to all of the restrictions of this Section.

A. Residential Only. Each Tract, (including land and improvements) shall be used and occupied for single family residential purposes only. No Owner or other occupant shall use or occupy their Tract, or permit the same of any part thereof, to be used or occupied, for any purpose other than as a private single family residence for the Owner, his family, parents of the Owner and/or his children and their spouses, or his tenant and their families and domestic servants (and their families) employed on the premises. As used herein, the term "single family residential purpose" shall be deemed to prohibit specifically, but without limitation, the use of Tracts for duplex apartments, garage apartments or other apartments used for rental purposes, and no room(s) in the dwelling and no space in any other structure shall be rented. This shall not preclude the main residential structure from being leased or rented in its entirety as a single residence to one family or person. However it is prohibited to lease the residence, guest house or living quarters on a short-term basis which is considered to be any term less than one (1) month.

B. No Commercial. No profession, business or commercial activity which is in any way evident from the exterior of any building or which entails visitation by the general public shall be allowed on any Tract. No business or commercial structure of any kind or nature whatsoever shall be built on any portion of the property and no structure, facility, or area on any Tract shall be used for mechanical repair or construction work, manufacturing or production of any product except for (1) repairing one's own vehicles in an area not visible from the road or neighboring properties, or

(2) purely for such purposes as would be considered a hobby and not a primary business regardless of whether such hobby shall be done for purposes of profit. This provision will not prohibit owner from having tractors or trucks in an enclosed area or totally shielded from the road. This provision will not prohibit any homeowner from maintaining his/her office in the home however that there should be no visual evidence of any such activity from the exterior of the home, no signage of any kind, no advertising to come to the home and no noise made as a result of the activity. In any case, all activities shall be carried out in a manner and/or in a facility keeping with the intent that said Tract be kept in a neat and presentable manner.

However nothing contained herein shall prohibit the owner from the production or raising of hay for personal use or for sale to the public. It is also allowed to raise horses and/or cattle or to lease subject property for grazing of horses and/or cattle but only within the limitations set out in SECTION 1.3.A. Feedlots are strictly prohibited.

C. Temporary or Other Structures. No structure of a temporary character, trailer, manufactured home, tent, or shack shall be placed on any Tract, either temporarily or permanently and no previously used residence, house, garage, or other structure appurtenant thereto, shall be moved upon any Tract from another location. Nothing contained herein, however, shall prohibit the construction or installation of permanent out-buildings pertinent to single family use. Such outbuildings must meet all construction requirements of this Declaration and must be of an architectural style similar to or complimentary to the style of the main residence. Barns and outbuildings may be placed on the property prior to the construction of the main residence providing the barn or outbuilding is approved by the Declarant. All barns and outbuildings shall at no time be utilized as a residence, however a living quarters in a barn or outbuilding may be used as a part-time or full-time living quarters once construction on the main residence has begun. No guest quarters or living quarters of any type shall be occupied on a part-time or full-time basis until construction on the main residence has begun.

D. Signs. No signs of any kind shall be displayed to the public view on any Tract except:

1. Builders may display one (1) sign of not more than eight (8) square feet on a Tract and any residential structure situated thereon for sale during the construction period; and
2. Any owner, or owner's representative may display one (1) sign of not more than sixteen (16) square feet on a Tract to advertise sale of the property; and
3. Political, School Spirit, Association Signs

E. Garbage and Refuse Storage and Disposal. All Tracts shall at all times be kept in a healthful, sanitary and attractive condition. No Tract shall be used or maintained as a dumping grounds for garbage, trash, junk, or other waste matter. All trash, garbage, junk, or waste matter shall be kept in adequate containers constructed of metal, plastic or masonry materials, with tightly fitting lids, which shall be maintained in a clean and sanitary condition and screened from public view except as necessary for garbage pick-up days. No Tract shall be used for open storage of any materials whatsoever, which storage is visible from the street, except that the new building materials used in the construction or improvements erected on any Tract may be placed upon such Tract at the time of construction is commenced and may be maintained thereon for a reasonable time, so long as the construction progresses without unreasonable delay, until completion of the improvements, after which these materials shall either be removed from the Tract, or stored in a suitable enclosure on the Tract.

F. Minimum Tract Area. No Tract shall be subdivided or re-platted into less than five (5) acres of land.

G. Firearms. The use or discharge of firearms on the Property is prohibited.

H. Antennas and Satellite Dishes. Any antenna, satellite dishes or appurtenant structure shall be located behind the residence and shielded from view. Only one antenna taller than the ridgeline of the residence will be permitted.

I. Exterior Appearances. Each owner shall keep the exterior appearance of his residence in a neat and attractive manner. In no case shall windows be covered by sheets, aluminum foil or other unsightly articles. Any interiors readily visible from any street shall be kept in a reasonably attractive manner or be hidden by decorative draperies.

### SECTION 1.2 *Vehicles and Unsightly Articles.*

A. Storage. No article deemed to be unsightly shall be permitted to remain on any Tract so as to be visible from adjoining property or public or private streets. Without limiting the generality of the foregoing, boats, RV's, wagons, motor scooters and garden maintenance equipment shall be kept at all times, except when in actual use, stored behind the back building line of the residence or garage, stored in an out-building, or screened from public view, either within the garage or behind a privacy fence.

B. Repair. No repair work, dismantling or assembling of motor vehicles or other machinery or equipment shall be done or permitted on any street or driveway or visible from the street except such work that is of temporary nature. Any regularly recurring repair or dismantling work shall take place within a garage or other building screened from public view.

C. SUV's. Motor bikes, motorcycles, motor scooters, "go-carts", 4-Wheelers or other similar vehicles shall be permitted to be operated in the Property, unless such operation, by reason of noise or fumes emitted, or by reason of manner of use, shall constitute a nuisance or annoyance. Race tracks are not permitted.
